

# Deutscher Girls

Adam Ant

We'll do the Tango  
We'll try the Fox Trot  
I'll eat a mango  
You drink a straight scotch  
You know I told you  
You could be classy  
So why did you have  
To be so nasty?

Remember the curls  
Of the Deutscher Girls?  
lover of mine  
From down on the Rhine

I'll fill your bath with  
The finest champagne  
I'll lick your skin dry  
I cherish your name  
The stakes get higher  
As you dress sparsely  
So why did you have  
To be so nasty?

Remember the curls  
Of the Deutscher Girls?  
lover of mine  
From down on the Rhine

I love your blonde hair  
I kiss your pigtails  
And I could not share  
The scratch of your nails  
And though you mark me  
Your eyes so glassy  
Oh why did you have  
To be so nasty?

Remember the curls  
Of the Deutscher Girls?  
lover of mine  
From down on the Rhine

I said remember the curls  
Of the Deutscher Girls?  
lover of mine  
From down on the Rhine

I said remember the curls  
Of the Deutscher Girls?  
A love of mine  
From down on the Rhine
