

# Don't Be Square (Be There)

Adam Ant

Music for a future age  
Don't be square, be there  
All good clean fun, whatever that means  
Antmusic for sexpeople  
Sexmusic for antpeople  
Get off your knees  
And hear the insect prayer

The brain will suffer  
So ride hard, ride clean  
How reputations scare  
And love goes to war, whatever that means  
Antmusic for sexpeople  
Sexmusic for antpeople  
Get off your knees  
And hear the insect prayer

Dirk wears white socks  
Dirk wears white socks  
Dirk wears white socks  
Antmusic for sexpeople  
Sexmusic for antpeople

And go we like this  
And go we like that  
Antmusic for sexpeople  
Sexmusic for antpeople  
Antmusic for sexpeople now

You may not like it now, but you will  
You may not like it now, but you will  
You may not like it now, but you will  
You may not like it now, but you will

Dirk wears white socks  
Dirk wears white socks  
Dirk wears white socks

You may not like it now, but you will  
You may not like it now, but you will  
The future will not stand still  
Antmusic for sexpeople  
Sexmusic for antpeople  
You may not like it now, but you will  
You may not like it now, but you will  
The future will not stand still  
Antmusic for sexpeople  
Sexmusic for antpeople  
You may not like it now, but you will  
You may not like it now, but you will  
The future will not stand still
