```
I got a heart on my arm
It says pure sex
It hurts
I mean it
Yeah
Red red scab
Red red scab
Red red scab
```

I got it till I die
Or till I reach orgasmo
I'm gonna get myself a girl with a gun (and fuck 'er)
She's gonna blow my throbbing brain*
Yeah (I fell over)

Red red scab
Red red scab
It was a red red scab
A red red scab
Red red scab
A red red scab
