Cry Ophelia

Adam Cohen

Something went wrong
You're not laughing
It's not so easy now to get you to smile
You gotta be strong
To walk these streets
And keep from falling
But when you're not, just let yourself cry
You've been working hard
Just trying to pay the rent
Tryin' to draw the line between who you are and who you invent
But if you throw a stone
Something's gonna shatter somewhere
We're all so fragile
We're all so scared
You say you wanna learn how to live your life without tears
But we've been trying to do that for thousands of years
So go on and cry Ophelia
It's the only thing to do sometimes
You know I'm crying too
Right there with you
It's alright, Ophelia
Everybody cries
Thank god for my bad memory
I've forgotten some of the stupid things that I've done
I've come to a little wisdom through a whole lot of failure
So I watch more carefully what rolls off my tongue
You pray for rain
But you don't want it from a storm
Yeah, you find a rose
And cut your finger on a thorn
So go on and cry, Ophelia
It's the only thing to do sometimes
You know I'm crying too
Right there with you
It's alright, Ophelia
Everybody cries, Ophelia
It's the perfect thing to do sometimes
You know I'm crying too, right there with you
It's alright, Ophelia
Everybody cries, Ophelia
Cry, Ophelia
I'm crying too, right there with you
It's alright, Ophelia
Everybody cries
