

## Lonely Pup (In a Christmas Shop)

Adam Faith

Soft brown eyes that seem to say  
Stay a while, I want to play  
Would you, could you, do please stop  
He's a lonely pup in a Christmas shop

Thank you lady, thank you sir  
Is there someone else that you'd prefer  
He's not selfish, just a flop  
Though he wags his tail in a Christmas shop

Mister Santa, if you would  
Send him someone, oh so good  
Someone who will take him home  
For ev'ryone to see

Christmas time, a Christmas tree  
With a happy family  
Pity him, he's got no pop  
He's a lonely pup in a Christmas shop

Mister Santa, if you would  
Send him someone, oh so good  
Someone who will take him home  
For ev'ryone to see

Christmas time, a Christmas tree  
With a happy family  
Pity him, he's got no pop  
He's a lonely pup in a Christmas shop
