Adam Faith

This is it, I can feel the way my heart is beating faster, This is it.

This is it, It's for real a little part of ever after, This is it.

Dickery dick a dock Dickery dick a dock goes my heart
Dickery dick a dock Dickery dick a dock.
Sing your song all day long, always right, never wrong.

Oh This is it, I can tell the way my head is spinning round. Th
at this is it.
This is it, ring the bell I'm gonna fight the final round. caus
e this is it.

Dickery dick a dock Dickery dick a dock goes my heart.
Dickery dick a dock Dickery dick a dock.
Sing your song all day long, always right, never wrong.

Oh This is it , come to me and let our hearts speak loud togeat
her, This is it.
This is it, can't you see our hearts will sing it out forever,
This is it.
This is it.
mmm This is it.
