

# Who Am I

Adam Faith

Who Am I , Who Am I

A thousand times they ask why, Who Am I, Who am I.  
That I should dare to fall in love with you.  
I never meant to aim so high, Who Am I Who Am I.  
Well now I ask you what am I to do.

Am I supposed to sit and cry, Who Am I, Who Am I,  
To tell my heart this isn't really true.  
I'll tell no lies, I'm mister mighty high.  
And you're the reason why they ask me, Who Am I

No longer no one,  
Because I'm your one,  
That makes me someone,  
And this I know who am I without you.

Never again to sit and cry, Who Am I, Who Am I.  
I'll tell my heart this time it's really true.

I'll tell no lies, I'm mister mighty high.  
And you're the reason why they ask me, Who Am I.  
Who Am I Who Am I.
