

# Friends of Mine

Adam Green

and we live on borrowed time  
but this headshot's pretty good  
i've been scheming for too long  
i was starstruck by your mom

we fall in love by accident  
a heavenly coincidence  
no matter what you think is true  
let me introduce you to  
some friends of mine  
oh friends of mine  
oh friends of mine  
oh friends of mine

and we break for passing cars  
in the pistol-ripping chase  
I regret the drugs you lost  
so I skipped our second date

we fall in love by accident  
a heavenly coincidence  
no matter what you think is true  
let me introduce you to  
some friends of mine  
oh friends of mine  
oh friends of mine  
oh friends of mine

we fall in love by accident  
a heavenly coincidence  
no matter what you think is true  
let me introduce you to

can't figure out this place  
guess someone hates my guts  
I handed him the sign  
oh friends of mine
