

# Don't Send The Invitation

Adam Gregory

Give me a cold one, I'm gonna drink it  
Bait my hook, I'm gonna sink it  
You double dare me, I'll always take it  
Ask me to dance, I'll sure enough shake it  
If you think I'm bluffin', well hmm not hardly  
Don't send the invitation if you don't wanna party

A bit of a wink, that first skirt  
Even momma says, Dont hurt to flurt  
But the signals, your sending me  
Can't be taken mistakenly  
Well, if you don't wanna ride  
Don't kick start my Harley  
Don't send the invitation if you don't wanna party

All night long  
and you'd be comin', on really strong  
Girl you know we can't go wrong  
Once we get the thing started  
Don't send the invitation if you don't wanna party

Clock on the wall, she's half past one  
Bar man says, no more fun  
I've got some skinner, out in my truck  
You look willin', to crack things up  
If your just teasin', back off by golly  
Don't send the invitation if you don't wanna party

All night long  
and you'd be comin', on really strong  
Girl you know we can't go wrong  
Once we get the thing started  
Don't send the invitation if you don't wanna party

If you can't stand the heat  
Don't order hot tamales  
Don't send the invitation if you don't wanna party  
Don't send the invitation if you don't wanna party

Don't send that invitation  
Don't send that invitation to me  
Oh yeah
