

She's So California

Adam Gregory

Bleach blonde hair and no tan lines at least thats what i dream
at night star dust eyes that shine pacific blue from her toes
to her halo shes been blessed with a body
you would have to buy out west she walks and talks a diffrent a
ttitude her smile is so much brighter than this stupid place
you can almost here hollywood calling her name shes so californ
ia she should have a star on hollywood blvd. drive around in a
lamborgenie sports car summer sun clear yeah shes sexy shes so
sunset
strip teases me here right there on the front porch swing i swe
ar i hear the beach boys sing peach street sign just like roday
o drive tight tank top and low rise jeans now I know what earth
quake means she really makes this small town come alive when sh
e walks into church in her summer dress oh even the preacher ha
s to confess
shes so california she should have a star on hollywood blvd. dr
ive around in a lamborgenie sports car whisper words callin the
menace copper tone medal hillbilly baby walkn sweet talkn ange
