

# Whole Lot Of Hard Work

Adam Hood

I hit the grown runnin' before the sun  
Well, I'll grab a cup of coffee and a kiss before I run  
Well, I'm always the first one and the boss says 'good job, son'  
,  
And he's proud of what I do, but I'm just puttin' in time  
So I can spend the rest with you

It takes a whole lotta hard work to make it look easy  
It's the things people don't see  
Makes it look like I got it made  
It takes a whole lot of hard work to make it look easy  
And baby, believe, your love  
Keeps me working this way

I know we had our ups and downs  
But we give and we take and we find our middle ground  
Well, my friends all tell me they give all they have  
To be where we are, but this road ain't for the weak  
Or the faint at heart

It takes a whole lotta hard work to make it look easy  
It's the things people don't see  
Makes it look like I got it made  
It takes a whole lot of hard work to make it look easy  
And baby, believe, your love  
Keeps me working this way
