

A Loaded Smile

Adam Lambert

If I say I'm sorry
It's just me sending a lie
When you're in my arms
I feel emptier inside
I never felt so satisfied

Everything falls into place but
I think I need a little more time
And yeah I know my life has changed but
honestly I don't know if we'll survive
A loaded smile
An empty glass
And one last dance

Walking hand in hand
You are all I ever want
And when you're not around yeah
Don't even notice that you're gone
We are barely hanging on

Everything falls into place but
I think I need a little more time
And yeah I know my life has changed but
honestly I don't know if we'll survive

Can't you feel it
Can't you feel it
Can't you feel it

Everything falls into place but
I think I need a little more time
And yeah I know my life has changed but
honestly I don't know if we'll survive
A loaded smile
An empty glass
And one last dance
