

# Strut

Adam Lambert

I want to start a revolution  
A type of personal solution  
We all have got our own pollution  
It's all about the execution

You got something to say  
Your hands are tied  
Open your mouth, open it wide  
Let the freedom begin  
Get on the floor, just let it drop  
Don't it feel good, don't it feel hot?  
Feel the fire within

I wanna see you strut (strut, strut)  
C'mon walk for me  
Strut (strut, strut)  
How you wanna be

Everybody's looking for some love  
But they don't know  
How to let it all hang out  
And that's why they're solo (solo, solo)  
Don't wanna be solo (solo, solo)  
Don't wanna be solo

We're a complicated nation  
And now we're in a situation  
Let's take a make-believe vacation  
And get yourself some validation

You got something to say  
Your hands are tied  
Open your mouth, open it wide  
Let the freedom begin  
Get on the floor, just let it drive  
Don't it feel good, don't it feel hot?  
Feel the fire within

I wanna see you strut (strut, strut)  
C'mon walk for me  
Strut (strut, strut)  
How you wanna be

Everybody's lookin' for some love  
But they don't know  
How to let it all hang out  
And that's why they're solo (solo, solo)  
Don't wanna be solo (solo, solo)  
Don't wanna be solo

I'll be your mirror  
Darling, let your hair down  
Show me what you're working with and let me see you  
Strut (strut, strut), strut (strut, strut)  
How you wanna be

Everybody's lookin' for some love

But they don't know  
How to let it all hang out  
And that's why they're solo (solo, solo)  
Don't wanna be solo (solo, solo)  
Don't wanna be solo

Strut for me and show me what you're working with  
Strut for me and show me what you're working with
