

Time for Miracles

Adam Lambert

It's late at night and I can't sleep
Missing you just runs too deep
Oh I can't breathe thinking of your smile
Every kiss I can't forget
This aching heart ain't broken yet
Oh God I wish I could make you see
Cause I know this flame isn't dying
So nothing can stop me from trying

Baby you know that
Maybe it's time for miracles
Cause I ain't giving up on love
You know that
Maybe it's time for miracles
Cause I ain't giving up on love
No I ain't giving up on us

I just wanna be with you
Cuz living is so hard to do
When all I know is trapped inside your eyes

The future I cannot forget
This aching heart ain't broken yet
Oh God I wish I could make you see

Cuz I know this flame isn't dying
So nothing can stop me from trying

Baby you know that
Maybe it's time for miracles
Cuz I ain't giving up on love
You know that
Maybe it's time for miracles
Cause I ain't giving up on love
No I ain't giving up on us

Baby can you feel it coming
You know I can hear it, hear it in your soul
Baby when you feel me feeling you
You know it's time...

Baby you know that
Maybe it's time for miracles
Cuz I ain't giving up on love

You know that
Maybe it's time for miracles
Cuz I ain't giving up on love
You know that
Maybe it's time for miracles
Cuz I ain't, I ain't giving up on love

No I ain't giving up on us
I ain't giving up, no
Oh I ain't giving up on us
