

# Trespassing

Adam Lambert

Well I was walkin for some time  
When I came across this sign  
Sayin "who are you and where are you from?"  
We don't like when visitors come

"No Trespassing" that's what it said  
At least that's what I could read  
No Trespassers? Yeah, my ass!  
Wait till ya get a load of me!

One day I was trippin and that's when I could see  
That the ether that I tapped into could be reality  
It was great, that's when I climbed that optimistic vine  
Once I hit that mountain peak I began to lose my mind

I don't need no sympathy  
I won't cry and whine  
Life's my light and liberty  
And I shine when I wanna shine

Make their faces crack  
There's no turnin back  
Let's GO!

Well I was walkin for some time  
When I came across this sign  
Sayin "who are you and where are you from?"  
We don't like when visitors come

"No Trespassing" that's what it said  
At least that's what I could read  
No Trespassers? Yeah, my ass!  
Wait till ya get a load of me!

Hey, ooh ohh

I ain't got BS in my bag  
That's the one thing you can believe  
My heart is gold, my body is glass  
Come on baby, can't you see?

I don't need no GPS  
To show me where to go  
But I can turn into the north pole  
And show you what is cold

I don't need no sympathy  
I won't cry and whine  
Life's my light and liberty  
And I shine when I wanna shine

Make their faces crack (crack)  
There's no turnin back  
Let's GO!

Well I was walkin for some time  
When I came across this sign

Sayin "who are you and where are you from?"  
We don't like when visitors come

"No Trespassers" that's what it said  
At least that's what I could read  
No Trespassers? Yeah, my ass!  
Wait till ya get a load of me!

Wait till ya get a load of me!  
I said wait till ya get a load of me!

Ah (12x)

I ain't stayin' at home  
I got places to roll  
I ain't stayin' at home  
No no no

Hey hey hey  
Hey yeah yeah yeah!

I don't need no sympathy  
I won't cry and whine  
Life's my light and liberty  
And I shine when I wanna shine

Heh heh  
Heh heh  
Heh heh  
Heh heh

Let's GO!

Well I was walkin for some time
