"Number two - the girls' showering facilities will be moved from the locker room into my inner office where I can watch the girls wash their breasts and buttocks while I play with myself."

"Number three - while showering, none of the girls will be allowed to snicker or laugh at the size of my genitalia. Eye contact with me is also prohibited."

"Number four - girls are encouraged to wash each other freely as I build towards orgasm."

"Number five - while i am ejaculating, the boys gymnastic team must undress each other spread eagle in front of me and satisfy each other orally until I have completed ejaculating."

"Finally, rule number six - any student caught writing graffiti or defacing school property will be automatically suspended, unless they are masturbating."
