

The Buffoon and the Dean of Admissions

Adam Sandler

"And now a buffoon's meeting with the dean of admissions at a prestigious college."

Dean: "Well Michael, I would like to extend my warmest congratulations on your upcoming graduation and I understand you are interested in matriculating here in the fall."

Buffoon: "I got a snake, man!"

Dean: "Yes, pets are welcome here on campus. Be it the traditional dog, or cat, or even the occasional reptile."

Buffoon: "One time I fed it some beer man! It was slithering this way and that! It was all f**ked up!"

Dean: "I'm sure it was. Well we discourage inappropriate drinking among both students and pets here on campus."

Buffoon: "f**kin' Shit!"

Dean: "Yes, that's a not uncommon reaction to this policy. So tell me a little bit more about your background."

Buffoon: "My father's a f**king asshole, man!"

Dean: "Hmm, I see. Your feelings of rebellion are not unusual at your age son."

Buffoon: "My mother's a piece of shit too!"

Dean: "Well, I hope you can find an outlet for your hostility over the

summer so you can come to school in the fall relaxed and ready to learn."

Buffoon: "My teacher in high school was a stupid bitch, man! She had her head way up her ass!"

Dean: "Well the quality of the faculty at a University such as ours far exceeds that of a local public high school."

Buffoon: "Your secretary's a real fat bitch, man!"

Dean: "Yes, she's tried many diets over the years with minimal success."

Buffoon: "I had diarrhea last month. I had to shit all f**king day!"

Dean: "Uh huh, Well we all get the occasional stomach bug, never a pleasurable experience. So have you given any thought to your choice of major?"

Buffoon: "I've got a big f**king boner right now."

Dean: "I see. Well sexual arousal is not uncommon during periods of

nervous tension. I do not take offense."

Buffoon: "One time I ate my neighbors shit!"

Dean: "That's understandable. Well, I enjoyed meeting you. We'll be

sending you our decision by the end of the month."

Buffoon: "I bet you got really hairy balls."

Dean: "Yes, it's a veritable forest down there. Bye bye."
