

I Have Always Loved You

Addison Road

Verse 1:

You are a fire; that lights the night.
You are forgiveness; that heals hearts, even mine

Pre-Chorus:

Only in you are we free; only in you can we see.
Only in you do we find life.

Chorus:

I have always loved; I will always love you.

Verse 2:

You bring salvation; to a people broken inside.
You are redemption; for those who seek second life.
