

Cold Shoulder

Adele

You say it's all in my head
and the things I think just don't make sense
So where you been then, don't go all coy,
don't turn it round on me like it's my fault
See I can see that look in your eyes
The one that shoots me each and every time

You grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I wish I was her

These days when I see you,
you make it look like I'm see-through
Do tell me why you waste our time,
when your heart ain't in it, and you're not satisfied
You know I know just how you feel
I'm starting to find myself feeling that way too

Chorus

Time and time again, I play the role of fool (Just for you)
Even in the daylight when you think that (I don't see you)
Try to look for things I hear but our eyes never find
Though I do know how you play

Chorus 2x
