

First Love

Adele

So little to say

But so much time
Despite my empty mouth
The words are in my mind
Please wear the face
The one where you smile

Because you
Lighten up my heart
When I start to cry

Forgive me first love
But I'm tired
I need to get away
To feel again
Try to understand why
Don't get so close

To change my mind
Please wipe that look

Out of your eyes

It's bribing me
To doubt myself
Simply, it's tiring

This love has dried up
And stayed behind
And if I stay
It'd be a lie
Then choke on words
I'd always hide
Excuse me first love
But we're through
I need to taste the kiss
From someone new
Forgive me first love
But I'm too tired
I'm bored to say

The least and I
I lack desire

Forgive me first love (4x)
Forgive me
Forgive me first love (2x)
