

# I'll Be Waiting

Adele

VERSE 1:

Hold me closer one more time,  
Say that you love me in your last goodbye,  
Please forgive me for my sins,  
Yes, I swam dirty waters,  
But you pushed me in,

VERSE 2: (repeat progression)

I've seen your face under every sky,  
Over every border and on every line,  
You know my heart more than I do,  
We were the greatest, me and you,

BRIDGE:

But we had time against us,  
And miles between us,  
The heavens cried,  
I know I left you speechless,  
But now the sky has cleared and it's blue,  
And I see my future in you,

CHORUS:

I'll be waiting for you when you're ready to love me again,  
I put my hands up,  
I'll do everything different,  
I'll be better to you,  
I'll be waiting for you when you're ready to love me again,  
I put my hands up,  
I'll be somebody different,  
I'll be better to you,

VERSE 3:

Let me stay here for just one more night,  
Build your world around me,  
And pull me to the light,  
So I can tell you that I was wrong,  
I was a child then, but now I'm willing to learn,

BRIDGE:

But we had time against us,  
And miles between us,  
The heavens cried, I know I left you speechless,  
But now the sky has cleared and it's blue,  
And I see my future in you,

CHORUS:

I'll be waiting for you when you're ready to love me again,  
I put my hands up,  
I'll do everything different,  
I'll be better to you,  
I'll be waiting for you when you're ready to love me again,  
I put my hands up,  
I'll be somebody different,  
I'll be better to you,

BRIDGE:

Time against us,  
Miles between us,  
Heavens cried,  
I know I left you speechless,  
Time against us,  
Miles between us,  
Heavens cried,  
I know I left you speechless,  
I know I left you speechless,  
I'll be waiting,

CHORUS:

I'll be waiting for you when you're ready to love me again,  
I put my hands up,  
I'll do everything different,  
I'll be better to you,  
I'll be waiting for you when you're ready to love me again,  
I put my hands up,  
I'll be somebody different,  
I'll be better to you.
