

That's It, I Quit, I'm Moving On

Adele

When we used
To say goodnight
I'd always kiss
And hold you tight
But lately

You don't seem
To care
You close the door
And leave me
Standing there

Oh, honey
That's not fair
That's it
I quit
I'm movin' on

The other night
We had a date
An you showed up
To hours late
And though your hair

Was all in place
Somebody smeared
Their lipstick
On your face

Oh, they smeared it
Every place
Ye that's it honey
I quit I'm movin' on

Ohh

You made me want you
You made me leave you
You made me tumble
And fall

But if I
Can't have you the way
I want you
I don't want you at all

Baby, I can take a lot
Cause I love
Everything you got
Though your kisses

Fill me
So if you got
Someone else
I gotta go

Oh, that you know

Ye that's it honey
I quit I'm movin' on

Ohh

You made me want you
You made me leave you
You made me tumble

And fall, but if I
Can't have you the way
I want you
I don't want you at all

Baby
I can take a lot
Cause I love
Everything you got
Though your kisses

Fill me
So if you got
Someone else
I gotta go

Oh, that you know
So that's it baby
I quit I'm movin' on

Ye that's it baby
I quit now
I'm movin' on
