

# That's It, I Quit, I'm Moving On

Adele

When we used  
To say goodnight  
I'd always kiss  
And hold you tight  
But lately

You don't seem  
To care  
You close the door  
And leave me  
Standing there

Oh, honey  
That's not fair  
That's it  
I quit  
I'm movin' on

The other night  
We had a date  
An you showed up  
To hours late  
And though your hair

Was all in place  
Somebody smeared  
Their lipstick  
On your face

Oh, they smeared it  
Every place  
Ye that's it honey  
I quit I'm movin' on

Ohh

You made me want you  
You made me leave you  
You made me tumble  
And fall

But if I  
Can't have you the way  
I want you  
I don't want you at all

Baby, I can take a lot  
Cause I love  
Everything you got  
Though your kisses

Fill me  
So if you got  
Someone else  
I gotta go

Oh, that you know

Ye that's it honey  
I quit I'm movin' on

Ohh

You made me want you  
You made me leave you  
You made me tumble

And fall, but if I  
Can't have you the way  
I want you  
I don't want you at all

Baby  
I can take a lot  
Cause I love  
Everything you got  
Though your kisses

Fill me  
So if you got  
Someone else  
I gotta go

Oh, that you know  
So that's it baby  
I quit I'm movin' on

Ye that's it baby  
I quit now  
I'm movin' on
