Water Under the Bridge

If you're not the one for me Then I'll come back and bring you to your knees If you're not the one for me Why do I hate the idea of being free? And if I'm not the one for you You've gotta stop holding me the way you do And if I'm not the one for you Why have we been through what we have been through

It's so cold in your wilderness I want you to be my keeper But not if you are so reckless

If you're gonna let me down, let me down gently Don't pretend that you don't want me Our love ain't water under the bridge If you're gonna let me down, let me down gently Don't pretend that you don't want me Our love ain't water under the bridge Woaah, woaaah Say that our love ain't water under the bridge

See you are water under the bridge What are you waiting for? You never seem to make it through the door And who are you hiding from? It ain't no life to live like you're on the run Have I ever asked for much? The only thing that I want is your love

If you're gonna let me down, let me down gently Don't pretend that you don't want me Our love ain't water under the bridge If you're gonna let me down, let me down gently Don't pretend that you don't want me Our love ain't water under the bridge Woaah, woaaah Say that our love ain't water under the bridge

It's so cold in your wilderness I want you to be my keeper But not if you are so reckless

If you're gonna let me down, let me down gently Don't pretend that you don't want me Our love ain't water under the bridge If you're gonna let me down, let me down gently Don't pretend that you don't want me Our love ain't water under the bridge

Say it ain't so, say it ain't so Say that our love ain't water under the bridge Say it ain't so, say it ain't so Say it ain't so, say it ain't so
