Adelitas Way

I like to live a little I like to drink a little I like to smoke a little I like the rush a little Misunderstood a little We're all the same a little Some where just born to be bad I got it bad, bad, bad Don't tell me what I should do or say Cause I want to do it my own way I don't give a fuck what you think, what you say I got a bad reputation I got it bad, bad, bad I got a bad reputation I got it bad, bad, bad I roll the dice a little I let it ride a little Out of my mind a little I'm like a lion I'm chained I like the finer things Sippin' on wine I'm singing I was just born to be bad I got it bad, bad, bad Don't tell me what I should do or say Cause I want to do it my own way I don't give a fuck what you think, what you say I got a bad reputation I got it bad, bad, bad I got a bad reputation I got it bad, bad, bad Don't tell me what I should do or say Cause I want to do it my own way I don't give a fuck what you think, what you say I got a bad reputation Don't tell me what I should do or say Cause I want to do it my own way I really don't care what you think, what you say I got a bad reputation I got it bad, bad, bad I got a bad reputation I got it bad, bad, bad I got a bad reputation I got it bad, bad, bad I got a bad reputation I got it bad, bad, bad Tištěno z www.txp.cz
