

# I Can Tell

Adelitas Way

I can tell by the way  
When I'm holding you tight  
Something is wrong  
No it's never been right  
I can see by the way  
That you stare in my eyes  
Tempted and there's nothing inside

What if I told you  
That I've been thinking  
I've been dreaming 'bout you  
And all the things I always thought that we'd do  
But it was never enough...

I can't figure out  
Why you don't love me now  
So why'd you tear me down  
I'm faceless in the crowd  
So tell me is this real  
'Cause I can't help but feel  
I'm heading for heart-ache

Can I make you feel  
Like you've never been kissed  
Like a picture you paint  
Will I ever be missed  
Would you stay if I told you my love wouldn't change  
If your hair turns grey  
If you gain a little weight

What if I told you  
That I've been thinking  
I've been dreaming 'bout you  
And all the things I always thought that we'd do  
But it was never enough...

I can't figure out  
Why you don't love me now  
So why'd you tear me down  
I'm faceless in the crowd  
So tell me is this real  
'Cause I can't help but feel  
I'm heading for heart-ache (Oh...)  
I'm heading for heart-ache (Oh yeah...)

I'm not giving you up...  
I'm not giving you up...  
(I'm heading for heart-ache)

I can't figure out  
Why you don't love me now  
(you don't love me now)  
So why'd you tear me down  
I'm faceless in the crowd  
(you don't love me now)  
So tell me is this real  
'Cause I can't help but feel

I'm heading for heart-ache
