

## Introlude - The Collapse Of 2006

Adept

She  
She's a girl who believes in continuously tearing apart  
Just for fun  
All the passion  
But she, she will burn like a witch  
All nailed to the cross  
But her smile will stay on  
Like she knows that she deserves everything that she gets  
She deserves everything that she gets  
She deserves everything that she gets

This is a tale of misturned evolution  
This is a collection of emotional experience  
This is the collapse of 2006  
The Rose Will Decay  
The Rose Will Decay  
The Rose Will Decay!
