

## A Thousand Times

Adhesive

What can I say, what can I do, I'm not in need of something new

.

The way things are seems fine to me.

I am a first class don juan, no second best, just number one.

Because I am god, yes I'm he.

You won't get rid of me, I am and I will always be your friend

Forever on, yes forever on

Hello, hear me knocking on your door,

Like a thousand times before.

Hello, I am everyone's best friend.

I'm always with you until the end of time.

I am the one you wish for dead, I am the ache inside your head,

And a pain in the ass.

I am the slumber in your sleep, I am the one who count your sheep.

Together we'll have a blast.

You won't get rid of me, I am and I will always be your friend

Forever on, yes forever on

Hello...
