

## Baby Come Over

Adina Howard

Tonight is the night, to make it alright, tonight is the night;  
Baby come over (baby come over)...

Tonight is the night, to make it alright, tonight is the night;  
Baby come over (baby come over)...

Here I sit alone on a Saturday night, feeling kinda horny.  
Boy I did cool cos I'm missing you  
But you're so far away baby, and I need you here by my side  
There's so many kinky things we could do tonight.

Tonight is the night, to make it alright, tonight is the night;  
Baby come over (baby come over)...

Tonight is the night, to make it alright, tonight is the night;  
Baby come over (baby come over)...

Baby just a simple touch, the little things mean so much (to me  
)  
I'll do any thing for you, if you ask me to, I'll be there for  
you.  
And baby I know you got a woman at home, we can never be alone  
to me  
But it's alright, cos all I need is tonight; come see about me.

Tonight is the night, to make it alright, tonight is the night;  
Baby come over (baby come over)...

Tonight is the night, to make it alright, tonight is the night;  
Baby come over (baby come over)...

Uuuhhhhhh ... and we can do some kinky things  
you know you want to

Let's take our time, baby lets take it nice and slow  
Baby I'll do you right, boy I'll make it good to you  
All I want to do is make sweet love to you  
So don't make me wait too long: Baby come over.

Tonight is the night, to make it alright, tonight is the night;  
Baby come over (baby come over)...

Tonight is the night, to make it alright, tonight is the night;  
Baby come over (baby come over)...
