

# You Don't Have To Cry

Adina Howard

Yea baby this is mike talkin and you know  
while everybody else was fruntin' like they was on my side,  
like they was in my corner im glad that i had at least  
one person that was serious i just wanna thank you baby for  
lookin out

You don't have to, don't cry no more  
you dont have to cry baby no more, dont cry no more  
said ill be right by your side and that is for sure

There's someone here now who cares about your needs  
we'll make it somehow cuz i'll share your dreams im just here to  
give you some good love in bad times, im yours when you need me  
keep me close ill keep you warm oo thats how

Don't cry no more, you dont have to,  
you don't have to cry baby no more (you dont have to cry)  
don't cry no more (you dont have to cry cuz you know ill  
always be right there) you dont have to cry

Oo yea im glad that you stood by waitin' on my call  
you caught every every every teardrop before one could fall  
you never decieved me the way i first did  
you got what i need girl and so much to give

Dont cry no more, you dont have to (im not)  
you dont have to cry no more (i know i won't have to cry im not  
worried about tomorrow) dont cry no more, you dont have to  
said ill be right by (cuz i know its gonna be over)  
your side and that is for sure (soon as my baby soon  
as my baby soon as you get here to me oo yea baby)

Baby i will be there for you because i know  
that things can get heavy on your mind oo yea babe  
baby im glad that youre here for me so i hope and  
pray that youll always stay and be apart of my life yea  
ill give you hug and kisses and smooches and  
lovin' whatever you want whatever you need ill be right there  
just wait and see cuz my love is unconditional ooooo  
now that i know i dont have to cry (you dont have to cry)  
dont have to worry bout a dryin my eyes baby

(dry your eyes) cuz you told me, please dont cry  
i believe you i can rest asure (you can be strong  
you dont have to), you dont have to worry bout a damn thing no no  
you dont have to cry (dry your eyes, please dont cry,  
you can be strong, you just dont know) i wont ever cry no no no no  
(dry your eyes you can) oo no no no (you can be strong  
you just dont have to) so you can take those kleenex (ill take um)  
and throw them away (dry your eyes you can be strong)  
all i gotta do is treat you right and it'll be you an'  
me forever (you just dont have to cry)
