Said she had a man

Oh oh oh You got me humpin' day and night, oh baby You got me humpin' day and night, oh baby (When you go let me know, so come and check the flow) Oh oh oh (Comin' from the west, west coast) You got me humpin' day and night, oh baby (When you go let me know, so come and check the flow) Oh oh oh (Comin' from the west, west coast) It's all about the dog in me It's all about the freak in me 'Cause that's how we kick it on the west coast And if it's love that you want Then that's what I'll give (That is, if you can handle it) 'Cause you know you got me humpin, yeah, yeah, yeah Hey girl, how ya doin'? Damn, ya look fine All I need is one chance For me to make you mine Plus I'll wine and dine Even treat you right And I give you what you want All day and night 'Cause, uh, it's plain to see Ya need to be with me A night with LSD is like pure ecstacy So, yo, let me know how I can be down 'Cause I got what you need When you humpin' around You got me humpin' day and night, oh baby (When you go let me know, so come and check the flow) Oh oh oh (Comin from the west, west coast) You got me humpin' day and night, oh baby (When you go let me know, so come and check the flow) Oh oh oh (Comin' from the west, west coast) Baby, it's on tonight Everythangs gonna be alright Just don't be afraid of me See, I got what you want You got what I need, babe Ooh yeah, babe So come and take a ride with me Def Jeff: Peeped her on the street In the drop-top Beamer Didn't have to ask her name Her license plate said Adina Cracked on the digits

But gave me her beeper number
So I knew she was wit' it
Fly little honey with that west coast flavor
She told me to leave a 6-9 when I page her
That's a knee-deep
Freak of the week
I know it's all, word is bond
To the break of dawn
And I'm gone, baby

You got me humpin' day and night, oh baby (When you go let me know, so come and check the flow) Oh oh oh (Comin from the west, west coast)
You got me humpin' day and night, oh baby (When you go let me know, so come and check the flow) Oh oh oh
