

## Rip It Up

Adolescents

It's like Clockwork Orange a bit of twenty on one  
Breaking heads well that don't sound like much fun  
Is that your only way of getting kicks  
By breaking heads you can't fix

Do you think you're tough  
Because you rip it up  
Gotta rip you up  
Do yo gotta rip it up  
Gotta rip it up  
Gotta rip it up

I've had enough of violence  
Just to kill boredom makes no sense  
We're not the background for your stupid fights  
Get out of the darkness it's time to unite

Do you think you're tough  
Because you rip it up  
Gotta rip it up  
Gotta rip it up  
Gotta rip it up  
Gotta rip it up

Gotta rip it up
