

## A God Ruled Time

Adorned Brood

In a time,  
where magic spells and gods ruled.  
In a time,  
where Wotan held his hand above us.  
Welcome in a time,  
in which we can live as once.  
Spread your wings...  
Spread your wings and fly.

[Ref.]

Life in the dark you open the wrong door.  
Life in our Asgard we know it's our endeavour.

I - I don't tell you lies.  
Close - Close your eyes and hear.  
Follow me into a time,  
where father and son go on journey.  
To teach to fight.  
To learn to kill.

[Ref.]

Three trials must be passed  
Fight, kill without fear.  
When the son would be pass (as a warrior)  
Fight, kill without fear.  
In a time,  
where magic spells and gods ruled.  
In a time where Wotan held his hand above us.

Welcome into a time, ruled by Wotan.  
Sooner or later you must understand.
