

Salida

gikoran  
kuning hiltia.

The king of agony and fear,  
he is the eldest of all kings.  
He takes the weak and bows to the strong  
his merciless majesty, yet invincted.

Salida  
snel wigand  
gikoran  
kuning hiltia.

He is immortal, his pinions carry winds  
upon our feeble spirits  
he hears the bestial of our being  
serving him by lust to kill.

Kuning hiltia.
