

Fishin' Musician

Adrenalin O.D.

I'm all excited, I'm goin' fishin'
I got a new pole that's really bitchin'
Gonna catch Blue gills, bass and trout
Drink lots o beer and scream and shout

Fishin' is my mission
I'm a fishin' musician
Tonight I'll be jamming
On my brand new Gibson
I catch more fish than Orlando Wilson
I cast with precision

Licensed to fish, I'm licensed to kill
And I won't stop 'till my stringer's filled
Live bait, cranking, jigging or trolling
Don't matter to me as long as I'm goin'
