

## Going To A Funeral

Adrenalin O.D.

Another relative up and dies  
Everyone sits around and cries  
No one liked him anyway  
Forget about 'em in another day

Going to a funeral  
Sit around and cry  
Going to a funeral  
Nobody cared how he died

He was a really rotten person  
Everyone hopes he goes to heaven  
He looks real nice in his coffin  
I'd rather go to 7-11  
CORPORATE DISNEYLAND  
Right here in New Jersey  
The Corporate Disneyland  
Many opportunities  
For an educated man  
Go to school, get married  
Move right down the block  
Lead this sheltered shut in life  
And suck the bosses cock

Big man knows a lot  
Sitting at his desk  
But no one asked a question  
So give your mouth a rest  
Company owns your house  
Company owns your town  
Company owns your mind and soul  
Company owns your mind and soul
