

The Nice Song

Adrenalin O.D.

I'm feeling really fine on such a lovely day
I'm feeling really fine, feel like wasting my time
It's such a lovely day, got nothing to do

I'm lying in my bed on such a lovely day
I'm lying in my bed, don't want to see no friends
It's such a lovely day, got nothing to do

I'm lying in the tub on such a lovely day
I'm lying in the tub, give me a body scrub
It's such a lovely day, got nothing to do

I'm sitting on the steps on such a lovely day
I'm sitting on the steps smoking cigarettes
It's such a lovely day, got nothing to do
