

## Yuppie

Adrenalin O.D.

Yuppies are too healthy  
They eat too much sushi  
They make too much money  
And waste it all on tootski

I hate yuppies, they're no good  
Same old bullshit in a new suit  
I hate yuppies, they're all bad  
Sniveling little idiots  
They make me mad

They have stock in BMW  
They're buying all the condos  
Late nights at the offices  
Kiss up their bosses

Yuppies are all helpless  
They're brain dead and useless  
Their broker's E.F. Hutton  
When they talk I don't listen
