

## All on the Line

Adrenaline Mob

I fell I'm not the same  
I'm alive but something changes  
That every live that is falling to the ground  
It's still alive, but not the same  
Oh no... oh no...

This all the times we all feel pain  
A helping hand, would be nice to feel okay.  
For simple man, who's down on his knees of a bagging you please  
I want you help me understand  
Come on and shines, get out of need, I need a friend that help  
to seek  
Cause everytimes I open my eyes, I know

I don't wanna wake up and wait for same mistakes  
It helped to me all the time, ea...  
I lie and moving all if I stand or even roll  
I've got to lay it all on the line

I see a child and playing, I feel the struggle through each and  
everything  
Eventhough I know that, to my yourself wing up just stand that  
what you say  
Hello... how get so lost, I'm not disease, I miss some precious  
memmories  
Everytimes I open my eyes, I know

I don't wanna wake up and wait for same mistakes  
It helped to me all the time, ea...  
I lie and moving all if I stand or even roll  
I've got to lay it all on the line

I swear this time, I've got to roll.  
And I swear this time, I've got to lay it all... all on the lin  
e... on the  
Line

Oohh we get so lost, and what to beast, when everytime we tried  
to peace  
Oh everytimes I open my eyes, I know

I don't wanna wake up and wait for same mistakes  
It helped to me all the time, ea...  
I lie and moving all if I stand or even roll  
I've got to lay it all on the line

Oh no... hmmm...
