

Come Undone

Adrenaline Mob

Mine, immaculate dream made breath and skin
I've been waiting for you
Signed, with a home tattoo,
Happy birthday to you was created for you

Can't ever keep from falling apart at the seams
Can not believe you're taking my heart to pieces

Oh, it'll take a little time,
Might take a little crime
To come undone now

We'll try to stay blind
To the hope and fear outside
Hey child, stay wilder than the wind
And blow me into cry

Who do you need, who do you love
When you come undone?
Who do you need, who do you love
When you come undone?

Words, playing me deja vu
Like a radio tune I swear I've heard before
Chill, is it something real
Or the magic I'm feeding off your fingers?

Can not keep from falling apart at the seams
Can not believe you're taking my heart to pieces

Lost, in a snow filled sky,
We'll make it alright
To come undone now

We'll try to stay blind
To the hope and fear outside
Hey child, stay wilder than the wind
And blow me into cry

Who do you need, who do you love
When you come undone?
Who do you need, who do you love
When you come undone?

Who do you need, who do you love
When you come undone?
Can not keep from falling apart
Who do you need, who do you love
When you come undone?
Can not believe you're taking my heart
When you come undone
Can not keep from falling apart
When you come undone?
Can not believe you're taking my heart
When you come undone?
When you come undone?
