

# Come Undone

Adrenaline Mob

Mine, immaculate dream made breath and skin  
I've been waiting for you  
Signed, with a home tattoo,  
Happy birthday to you was created for you

Can't ever keep from falling apart at the seams  
Can not believe you're taking my heart to pieces

Oh, it'll take a little time,  
Might take a little crime  
To come undone now

We'll try to stay blind  
To the hope and fear outside  
Hey child, stay wilder than the wind  
And blow me into cry

Who do you need, who do you love  
When you come undone?  
Who do you need, who do you love  
When you come undone?

Words, playing me deja vu  
Like a radio tune I swear I've heard before  
Chill, is it something real  
Or the magic I'm feeding off your fingers?

Can not keep from falling apart at the seams  
Can not believe you're taking my heart to pieces

Lost, in a snow filled sky,  
We'll make it alright  
To come undone now

We'll try to stay blind  
To the hope and fear outside  
Hey child, stay wilder than the wind  
And blow me into cry

Who do you need, who do you love  
When you come undone?  
Who do you need, who do you love  
When you come undone?

Who do you need, who do you love  
When you come undone?  
Can not keep from falling apart  
Who do you need, who do you love  
When you come undone?  
Can not believe you're taking my heart  
When you come undone  
Can not keep from falling apart  
When you come undone?  
Can not believe you're taking my heart  
When you come undone?  
When you come undone?
