

## Elephant Talk

Adrian Belew

Talk, it's only talk  
Arguments, agreements, advice  
Answers, articulate announcements  
It's only talk

Talk, it's only talk  
Babble, burble, banter  
Bicker bicker bicker  
Brouhaha, balderdash, ballyhoo  
It's only talk  
Backtalk

Talk, talk, talk, it's only talk  
Comments, clich's, commentary  
Chatter, chit chat  
Conversation, contradiction, criticism  
It's only talk  
Cheap talk

Talk, it's only talk  
Debates, discussions  
These are words with a "d" this time  
Dialogue, duologue, diatribe  
Dissension, declamation  
Double talk, double talk

Talk, talk, it's all talk  
Too much talk, small talk  
Talk that trash  
Expressions, editorials, explanations  
Exclamations, exaggerations  
It's all talk

Elephant talk, elephant talk, elephant talk!
