

# I Wonder

Adrian Belew

I wonder wonder wonder  
Wonder what went wrong  
We used to used to used to  
Used to feel so strong  
Now we seem to come apart at the seam  
Now we speak impolitely  
Now it's a fight to be nice  
And you know it ain't right  
I remember member member  
Member what we had  
We used to used to used to  
Used to love so madly  
Now we speak impolitely  
Now we struggle even nightly  
Now it's a fight to be nice  
And you know it ain't right  
Who is reversible  
Who is replaceable  
Who is reciprocal  
Who is responsible  
You and me
