

# This Is What I Believe In

Adrian Belew

Hold tight to your faith  
Don't let nobody make you jaded  
Your love is precious,  
Give it to somebody who deserves it  
This is what I believe in

Hold tight to yourself  
Don't let nobody give you hell  
Your life is sacred  
Live it right, but live it your way  
This is what I believe in

All the world is a cannibal  
Even time itself will eat us all  
But that's no reason to be a jerk  
You either make it better or make it worse

I believe this. I believe it's true  
I believe it

All the world is dangerous  
Full of homicidals and terrorists  
But underneath their blanket of hate  
The only thing that will survive is our love and faith

I believe in truth  
And I believe in me  
And I believe in you
