

This Is What I Believe In

Adrian Belew

Hold tight to your faith
Don't let nobody make you jaded
Your love is precious,
Give it to somebody who deserves it
This is what I believe in

Hold tight to yourself
Don't let nobody give you hell
Your life is sacred
Live it right, but live it your way
This is what I believe in

All the world is a cannibal
Even time itself will eat us all
But that's no reason to be a jerk
You either make it better or make it worse

I believe this. I believe it's true
I believe it

All the world is dangerous
Full of homicidals and terrorists
But underneath their blanket of hate
The only thing that will survive is our love and faith

I believe in truth
And I believe in me
And I believe in you
