Adrian Belew

Well, maybe you're thinkin' I'm outasight  
'cause I know you saw me kickin' at the gig last night  
Maybe, baby, that's why they call  
Twang bar king  
Rip bash smash, burn up a fret  
I can keep it in tune and nearly beat it to death  
Yes, baby baby, that's why they call me  
Twang bar king  
Well I can bash smash beat rip tear out the guts  
Burn it up and make it scream  
Yeah, yeah, yeah  
Ooohhh, listen, baby  
I ain't braggin' but I'm the twang bar king  
Twang bar
