

## Good Deeds

**ADULT.**

Good deeds, nice smiles  
A pack mentality  
Sweltering, smothering  
So very disappointing

Good deeds, your good good deeds  
They're smothering, smothering me

Lock all the doors and all the windows  
The pack is a comin', the pack is coming  
Bringing some smiles and some very good deeds  
It's a smotherin', smotherin' me
