

## Still Waiting

ADULT.

pause, keep thinking  
What's going on, deliberately sinking  
A sign is a sign as I wait and I wait -I wait  
Stay away for as long as you like  
Since I just can't decide, and I just don't like

Too much contact  
Can make you  
Too much contact  
Way too much contact  
Can make you ill

Wait, wait, wait, wait  
No matter what I know this means something

I'm at my best, when I obsess  
A little bit of pain can go a long way  
Still I wait and I wait and I wait -I wait  
I'd say "Wish you were here"  
But then again  
Talking through coughs  
Can really kill the... contact
