

## Helel Ben-Shachar

Aeon

Lucifer angel of light  
Born in desert wind fire a fire without smoke  
Lucifer angel demon  
Blackest of the black sent out to attack  
He kneels to no man he kneels to no god  
Helel Ben-Shachar  
Lucifer he said no to god  
Strongest of the strong with a mind of his own  
Lucifer fallen angel  
Cast out of they skies a threat in god's eyes  
Defy he defied the word of god  
To no fucking Adam shall he kneel  
Lucifer angel demon  
I hail you Helel Ben-Shachar  
The son of morning I hail  
The angel the rebelled against god  
He kneels to no man he kneels to no god  
Helel Ben-Shachar  
Lucifer angel of light  
Born in desert wind fire a fire without smoke  
Lucifer angel demon  
Blackest of the black sent out to attack  
Defy he defied the word of god  
To no fucking Adam shall he kneel  
Lucifer angel demon  
I hail you
