

# Maze Of The Damned

Aeon

Am I awake  
Hunted by a beast  
In this darkness  
In this torment from hell  
Maze of the damned  
Left at my doom  
Awaited by the beast  
Maze of the damned  
A heavy door is shut behind  
I'm left alone with this beast  
I am meat for the beast  
I know exactly what he will do  
It's just a matter of time 'til he will  
Find me and eat my flesh  
He knows I am here  
I cannot see anything in here  
It's all black and it's cold  
He knows he will feed  
I know I won't survive

Hunted by the beast  
Monstrous and deformed  
Hungry for human flesh

Endless corridors  
I can hear its breath  
Half man half beast

Am I awake  
Hunted by a beast  
In this darkness  
In this torment from hell  
Maze of the damned  
Left at my doom  
Awaited by the beast  
Maze of the damned  
I know once I am locked inside here  
My fate is to be devoured  
By this man eating beast  
My torch is all that I have in here  
It's casting shadows so black  
They seem so frightening  
I sense what's beyond  
Or is it my own imagery  
That's playing tricks on me  
I run and I fall  
The beast looks at me

Hunted by the beast  
Monstrous and deformed  
Hungry for human flesh

Endless corridors  
I can hear its breath  
Half man half beast

Am I awake

Hunted by a beast  
In this darkness  
In this torment from hell  
Maze of the damned  
Left at my doom  
Awaited by the beast  
Maze of the damned
